The background image shows an industrial site, likely a power plant or data center. In the foreground, there are several large, white, rectangular power containers or cabinets arranged in rows. In the middle ground, there are blue and white industrial buildings. In the background, there are tall smokestacks and other industrial structures. The entire image has a blue tint. The word "CONVERGENT" is written in large, bold, white capital letters across the center of the image. The letter 'O' in "CONVERGENT" is replaced by a power button symbol.
